REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Orford:

I herewith present my second annual report as Superintendent of the schools of Orford.

Year 1927-1928.

Total enrollment, 142.
Schools in session, 175 days.
Percent of attendance, 91.54%.
Cases of tardiness, 325.
Visits by members of board, 12.
Visits by superintendent, 272.
Visits by school nurse, 68.
Visits by citizens and others, 241.

The above figures show the size of the schools and the record of attendance for last year. The number of cases of tardiness was far greater than necessary. It is bad for the school and bad for the child when a pupil comes in late. We want our boys and girls to grow up with a strong sense of responsibility, and the habit of promptness is one of the essential factors in developing this ideal.

This year the enrollment has been 148. The following are the teachers: Headmaster of the High School, Gladys Twitchell; Village Grammar, Kathleen M. Huntoon; Village Primary, Helen Coburn; Orfordville, Dorothy N. Poor; Mt. Cube, Ellen M. Eaton; East Orford, cadet from Plymouth Normal School.

During the last few months a number of improvements have been made in the buildings. At Orford St. the two rooms upstairs have been repainted, while downstairs a new room for the High School has been made on the stage. It is recommended that new electric light fixtures be installed in the main room of the High School, and that the outside of the building at Orfordville and the inside of the building at East Orford be painted.

The work of the schools in general seems to be progressing well. The High School is growing and increasing its reputation for good work outside of our immediate vicinity. I think the schools are very fortunate in having the backing and aid of the Parent Teacher

Association. The diphtheria innoculation project handled by this organization was a work of high merit.

Attention of those parents, who will have children old enough to enter school next fall, is called to the vaccination law. This law requires all children attending school to be vaccinated, Exception is made in the case of those who are excused by the Board of Health as physically unfit.

Respectfully submitted,

EDWARD A. JANES, Supt. of Schools.
